Investiture of powers to Deputy Commissioners to incur certain authority petty Expenditure within a certain limit

WD 2233—GPB—20,000—14-6-20

Note

Docket no: 737 dated 24 April, 1896, from the Dy Com Kadur Distt:

The Dy Com proposes that all Dy Coms be empowered to incur on their own authority petty Expenditure within a limit of Rs: 10/- on account of purchase of locks & keys & such articles of furniture. This will no doubt avoid frequent references to Govt.

As a matter of fact, sanction is being asked for & obtained in the cases. The practice does not appear to be the outcome of any standing order of Govt. See: 75 of the Civil account Code, Vol: I, provides that " for ordinary Expenses, previous sanction is not required & that it is for the Local Govt

to define the nature & limit of charges —

(a) which may be incurred without sanction, and

(b) which require the previous sanction

(i) of any Controlling Office

(ii) of itself.

The point for consideration is —

Whether the purchase of such petty articles as

County locks (not Chubbs),

nails, hasps

&c. &c. within a limit of Rs. 5/

or Rs 10/.

and the ordinary repair of Office furniture within the same limit —

could be treated as Ordinary Expenses

Sir,

With reference to Government Order No 5495. dated 6th Nov, disallowing certain items from the detailed contingent bill for October 1896, I have the honor to cancel reference to Government order No 13350-2 dated 11 June 96, sanctioning the cost of guarding the prisoners detailed to the District Office conjoined.

2. As regards the trays they were badly wanted by the Sub Division Officer closepet, and he was authorized to purchase the same, as the cost was trifling.

3. As however the item is now objected to in the Docket under reply, sanction therefor is solicited.

4 To avoid constant references to Government, I would request permission to incur such trifling charges of a miscellaneous character, say upto Rs 10/- on my own responsibility, out of the allotted budget grant.
